*If this Order Form is executed and/or returned to Salesforce by Customer after the Order Start Date above, Salesforce may adjust the Order Start Date and Order End Date, without increasing the Total Price, based on the date Salesforce activates the products and provided that the total term length does not change. Following activation, any adjustments to such Order Start Date and Order End Date may be confirmed by logging into Your Account, by reference to an order confirmation sent by Salesforce, and/or by contacting customer support. **The Monthly/Unit Price shown above has been rounded to two decimal places for display purposes. As many as eight decimal places may be present in the actual price. The totals for this order were calculated using the actual price, rather than the Monthly/Unit Price displayed above, and are the true and binding totals for this order, provided that any taxes shown herein are estimated. Any taxes are the responsibility of Customer. This is not an invoice. Without a Customer VAT registration number, Salesforce may not be able to provide a valid VAT invoice, which may restrict Customer's ability to recover any local input VAT charged.
